Each contributor must submit a brief abstract not exceeding 350 words (one A4 page). Please insert your abstract here.

If equations are necessary in the abstract they should be numbered consecutively beginning with (1) to the end of the paper. An example is shown in eq. (1).

[EMBED Equation.3] (1)

In the same way all figures are to be consecutively numbered and also captioned, e.g see the figure shown in Fig. 1.

You can also put citations [1, 2] into your text.
